Experience			
The Bank's lending products are available to experienced customers only, where the experience is deemed relevant and proportional to the lending proposal. The borrowers are expected to meet the below minimum criteria and suitable evidence to support this should be made readily available. The Bank may provide flexibility to borrowers who do not meet this criteria, and will consider wider and longstanding experience of a borrower at application. Consideration will be given to borrower's history of property investment, ownership history and experience in the real estate sector.

Information used to assess affordability		
Security	What we accept	What we use
BTL	Valuer confirmed market rent or passing rent	Whichever is lower
HMO	Valuer confirmed market rent or passing rent	Whichever is lower
MUFB	Valuer Confirmed market rent or passing rent	Whichever is lower
Semi-Commercial	Valuer Confirmed market rent or passing rent	Whichever is lower
Vacant Units and Tenancy voids	For Residential Assets, where income is not evident at the point of drawdown, discretion is permitted to use Market Rent, with suitable evidence of letting income to be satisfied as a Condition Subsequent within 3 months of completion. This is subject to evidence of how borrowing costs will be funded in the interim period.	

Security	
Legal charge	The Bank requires a first legal charge over the property. No further charges may be created over the Bank's security without express consent from the Bank.
Location	England, Wales and Scotland.
Value	The Bank will not lend on any single asset that has a Market Value (MV) below £75k.
Tenure	Redwood will lend to a leasehold if there is a minimum of 75 years remaining at the end of the mortgage term.
Regulation	Redwood is unable to consider any lending application that is deemed to be regulated.
EPCs	Properties with an EPC rating below E will not be accepted unless there is a valid exemption.

Property Demand
The Bank will not lend on a security if the demand for letting is over 6 months.
The Bank will not lend on a security if the demand for sale is over 12 months.

House of Multiple Occupants (HMO)	
Classification	A small HMO is defined as those which have up to 6 rooms. A large HMO is defined as those which have 7 or more rooms.
Commercial weighted HMO	The Bank reserves the right to classify a large HMO/MUFB as a commercial property dependant on the structure and tenancy arrangements. This falls under the discretion of the underwriter.

	Applicable properties will be limited to a maximum of 5 years interest only as part of a capital and interest repayment term mortgage and a maximum loan term of 25 years, although large HMO DSC will still be applicable.
Licences	Where the valuer confirms a HMO license is required, evidence of a valid licence will be required. In the event that the issuing of the HMO licence has been delayed the valuation report must confirm that the property is a viable HMO, and evidence must be shown confirming a HMO licence has been applied for.
Multi-Unit Freehold Block (MUFB)	
Definition	The Bank defines a MUFB as a single freehold property that has been divided into multiple self-contained units. Each unit must be: • Self-contained. • Able to be sold separately.
Classification	A small MUFB is defined as having up to 6 single self-contained units. A large MUFB is defined as having 7 or more self-contained units.

Unacceptable Residential Securities	
• Log cabins • Mobile homes / caravan sites • Houseboats • Non-standard construction. • Properties F&G EPC rating (or no rating) without acceptable exemption. • Development sites. • Holiday lets & properties listed on Air BnB (or similar) websites. • MUFB, or units within, with cladding and an ESW1 requirement not met.	• Properties with Japanese Knotweed present. • Long-leaseholds with excessive ground rents, ground rents that have steep step-ups or an unexpired leasehold title of <75yrs at the end of the loan term. • Land & contaminated land that is linked to buildings. • Grade 1 / Grade A listed buildings. • Freehold flats • New builds without PCC or 10yr warranty.

Unacceptable Residential Tenancies	
• Government Asylum Accommodation leases • Unregistered Social Housing providers	

Valuations	
Overview	Prior to taking a First Legal Charge, the Bank will obtain an independent professional RICS valuation survey. The Bank will not lend on an asset deemed as an unsuitable security by the independent body.
Validity	Valuations are valid for 6 months.
Qualifications	The Bank will not lend on any single asset that has a Market Value less than £75k.

Valuation Methodology	
Security Type	Methodology
Single residential flat/house	A comparable valuation method against similar properties in the area will be used.
Small HMO (up to 6 tenants)	If the property is currently being used as a HMO but requires minimal work to convert it back to a single-dwelling family home, a comparable method will be used. If the property has undergone significant adaptations to comply with HMO legislation, a yield-based method will be used.
Small HMO (up to 6 tenants) in an Article 4 area	If the property is in an Article 4 area, a yield-based investment valuation will be used, considering comparable yields in the area. Since the Article 4 Direction is in effect, the property must have C4 planning permission.
Large HMO (7 or more tenants)	Will be valued on a yield-based method, with the valuer considering comparable yields of similar properties in the area. Planning approval must be in place for the property to be used as large HMO (Sui Generis).
Small MUFB (up to 6 units)	Can be valued using the aggregate value of the units provided each unit is: • Self-contained • Can be sold separately If the property does not meet any of the above requirements it will be valued on a block value basis.
Large MUFB (7 or more units)	The primary method will be based on the block value basis. However, consideration for the use of aggregate value will be given on a case-by-case basis dependent on: • Rental demand • Asset location/quality • Prudent allotment of communal areas • Units able to be sold on individual or long leasehold titles.
Semi-Commercial	Defined as properties where the residential income makes up more than 50% and up to 80% of the total income. Calculated against the combined Vacant Possession value (VP). Where 50% or more of the income is from the commercial aspect, the property will be classed as commercial (see commercial criteria). Where the residential aspect of the property is formed of a large HMO/MUFB the property will be assessed using large HMO/MUFB ICR/DSC. Where the residential aspect of the property is formed of a commercially weighted large HMO/MUFB the property will be assessed using large HMO/MUFB DSC with a maximum of 5 years interest only as part of a capital and interest repayment term mortgage and a maximum loan term of 25 years.
